Concert organized by the German Consulate General in Miami at the Steinway Piano Gallery in Coral Gables, Florida

Ref-No.: Ku 6530.25

(please state by reply):

Dear Mrs. Ulex, dear Mrs. Adam:

I would like to thank you again for your beautiful concert at the Steinway Piano Gallery in Coral Gables.

The interesting variety of your program, not only the choice of classical and modern composers but also the mix of solo and duo performances and the personal introductions to each piece, made your concert a very special event.

I personally received a lot of very positive comments from the audience after the concert.

I wish you both all the best for the future and I hope the Transatlantic Duo will keep on performing with the same great spirit.

Sincerely Yours,

(Kendeffy)
