Subject: Concert at German House on Jan 11, 2006

Dear Mrs. Ulex, dear Mrs. Adam,

thank you very much for your very successful concert here at German House on Jan 11, 2006.

Your performance was enthusiastically received by the full house audience. The diverse program, which represented an interesting mix between classical and contemporary compositions, showed your very musical and virtuosic playing alternately containing solo and duo pieces.

One of the many highlights was the presence of the American composer Valerie Coleman, and your interpretation of her piece "Sonatina" for clarinet and piano.

The Consulate General would be very pleased to organize another concert with you in the upcoming years.

Sincerely yours

By order
